# Sörmland Region

The province of Sörmland is located southwest of Stockholm, a unique spot conveniently located near Stockholm. Sörmland is mainly known for its numerous castles, manor houses, and impressive archipelago. The main urban areas are Eskilstuna and Nyköping.

Sörmland is often described as “Sweden’s southernmost wilderness”. With its large expanses of untouched nature and many lakes. Around 2,800 islands, islets and skerries are located in front of the coastal towns of Trosa, Nyköping und Oxelösund. They are easily accessible and partially connected by small bridges. In Sörmland’s archipelago, you can find unspoilt nature, tranquillity and peaceful seclusion.

Healthcare is the dominant activity in Region Sörmland. The mission is to provide high-quality public health care on equal terms for the entire population in Sörmland. Region Sörmland coordinates public and private healthcare in Sörmland.

The city of Eskilstuna had 67,359 inhabitants in 2015, with a total population of 100,092 inhabitants in Eskilstuna municipality.

Nyköping had 32,759 inhabitants as of 2017. The city is also the capital of Södermanland County.
